

BEAVER SALES LTD

Used Premier Tech VP 415 Compression Baler

If you are looking for shaving bagging equipment, refer to attached photos. Equipment was purchase by the first owner and only ran less that 30 days. It was purchase by a second firm, but they could not install the equipment due to permitting problems. The equipment was built 2019 and purchased in 2020, but it only ran for less than 30 days
