

BEAVER SALES

NEW AND USED DROP FEED HOGS

Are you planning to purchase or replacing your existing drop feed hog in 2020?

- Consider our new design
- Improved front entry access
- Improved access through the rear doors
- Split the case which makes the rotor removal Possible without having to remove the entire top
- Plus many more features

Refer to attached photos: 30WD to 4064HD Drop Feed Hogs
If it is not in your budget to purchase new, we can supply reconditioned drop feed hogs.
